

# Class of

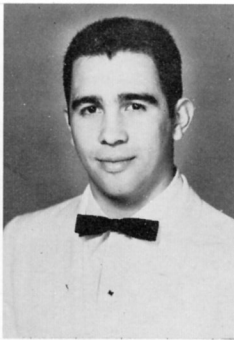

**FRESHMAN OFFICERS** —Class president Leo La Belle (far left) filled that post in both pro-tem and elected capacity. The other elected class officials are Raul Alvarado, vice-president (standing front), treasurer Paul Minor (standing back), secretary Patrick Fleet (standing right), and the executive council representatives, Harvey Mead and Jim Dunham (seated).

**THE CLASS OF 1961** is the largest incoming class Saint Mary's has welcomed in some time. With them came that unique yearling enthusiasm which pitched so many of their number so well into the activity and life of the Moraga campus. Their officers served unstintingly. Their functions were successes. Their basketball squad went undefeated. Their promise is great.
